## 12.09 Special resolution number 2- Share Buyback

Shareholders raised the following queries in regard to Special Resolution number 2:

- Deceased shareholders; and
- Repurchase of shares at a 10% discount to the interim value.

Management responded as follows :

### Deceased shareholders

The Chairman explained that the purpose of the buyback resolution was to assist the deceased shareholders when trying to sell their shares because a market for them has not yet been created. As explained in the prospectus, on the death of a shareholder, shares may be transferred to heirs or legatees provided that they have the same or higher HDI status or rating , or the executor can sell the shares to a Black person or to a Black group with the same or higher HDI status or rating.

If after 6 months the late estate cannot achieve a transfer of shares to an heir or is not able to sell the shares, the executor of the late estate could willingly put the shares to the Company to buy them. The Company may buy these shares at a 10% discount to the interim value. Those shares are effectively cancelled and the issued share capital reduced. It was agreed that the Company must include in the Annual report, a statement to the effect that the repurchase of shares would only be in the instance of willing sellers.

### Repurchase of shares at a 10% discount to the interim value

The Chairman advised that management were working on addressing issues raised in 2011, pertaining to not applying a 10% discount on repurchase of shares by the Company. She explained that once management had put that into place, shareholders would be informed. It was noted that the 10% discount was to carry administration costs and Vodacom does not benefit from the death of any shareholder.

Following discussion, a resolution granting a general authority to the Company to repurchase shares in the Company was then approved.

**IT WAS RESOLVED THAT** the Company be and is hereby authorised to acquire ordinary shares in the Company, subject to the provisions of the Companies Act No 71 of 2008, as amended, provided that:

1. The authority granted shall be valid only until the Company's next annual general meeting and shall not extend beyond 15 (fifteen) months from the date of this resolution;
2. Any repurchase by the Company of its ordinary shares in issue shall not in aggregate in one financial year exceed 20 000 (twenty thousand) of the Company's issued ordinary shares at the time that the authority is granted;
3. The authority may be varied or revoked by special resolution of the members prior to the next annual general meeting of the Company;

Shareholders holding 12 006 900 (99.98%) ordinary shares voted in favour of a general authority for the company, to purchase up to 20 000 (twenty thousand) of the company's issued ordinary share capital, while shareholders holding 800 ordinary shares voted against with shareholders holding 700 ordinary shares abstaining.
